

Birthday Party Parent Information

- 1) **WAIVERS:** Each party guest must have a **parent-signed Waiver** to participate. You can print them off from our website or pick them up in person at the gym. We suggest putting them right along the party invitation for your guests.
- 2) **INVITATION INSERTS:** Also on our website, there is an Invitation Insert that you can print off and put in the invitations. This saves you time and prevents guest confusion.
- 3) **DRESS CODE:** NO jeans, NO dresses. All other dress code rules apply (i.e. No jewelry or gum, bare feet, hair neatly tied). We suggest you bring an extra pair of shorts, just in case !
- 4) **NUMBER OF PARTICIPANTS:** Depending on the package you've purchased, you've paid for a certain number of participants. "Participants" refers to **ANYONE USING THE EQUIPMENT** (not just the children). If little siblings, parents, grandparents, or anyone else also want to play, that's okay, but they must sign the Waiver and they will be counted as participants that you've paid for.
- 5) **CHANGES/ 2-weeks CANCELLATION:** You can modify your Birthday Party package but **ONLY UNTIL TWO (2) WEEKS IN ADVANCE**. If you cancel with more than two (2) weeks to go until the party date, you get 100% back; if you cancel with less than two (2) weeks to go until the party date, you get 75% back.
- 6) **PARTY ROOM:** There is a fridge, freezer, microwave & toaster oven for your use. You will need to supply all your own dishes, food, drinks... etc. (Note: We endeavor to be a nut-free facility). The party room is already decorated, so please **DO NOT** tape anything else on the walls. You are welcome to bring tablecloths or balloons... it is common for people to tape balloons to the backs of the chairs or bring helium balloons on weights.
- 7) **PARTY ROOM CLEAN-UP:** You are expected to do three (3) clean-up things:
 - a) Empty the garbage bags. The Coach will dispose of the garbage bags for you.
 - b) Sweep the floors (we provide a broom & dustpan).
 - c) Wipe the tables (we provide cleaning supplies).

Because there will be a party coming in **AFTER** yours,
You MUST be cleaned up and OUT of the party room within your allotted time. Thank you !

All Gym Rules apply to **EVERYONE**.

!! HAVE FUN !!
